 Sore Throat	Common	Common	Has been reported
 Cough	Mild to moderate	Common, Can become severe	Common
 Shortness of Breath	Rare	Rare	In more serious infections

Sources: National Institute of Allergy and Infectious Diseases, CDC, WHO.

**Information is still evolving

Please make sure that all children's files have all working emergency phone numbers. We have to be able to contact you during the day in case of an emergency or if your child is ill.

Please make sure that your child's shot records and physicals are up to date. Also please make sure that we have a current copy of your child's insurance cards as well. These are state regulations.

It is very important to the health of all the families and staff, PLEASE if your child has any of these symptoms within the last 24 hours that you must keep them home. If symptoms arise during the day you will be asked to pick your child up. Your child must be symptom free without medication for 24 hours to return.

SUPER SATURDAY

11 a.m.-2 p.m. | Saturday, March 16, 2024

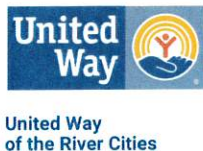

Mountain Health Arena

INFORMATION • GAMES • ACTIVITIES • PRIZES

Super Saturday is a FREE event that features fun activities as well as helpful information for families provided by a wide variety of community organizations & event partners.
