# 2024

Many children need to have updated shot records and physicals please make sure that Amy and Bende get those ASAP This is a state licensing requirement.

Hard to believe that that school is about to start again, hope your child had a wonderful summer!

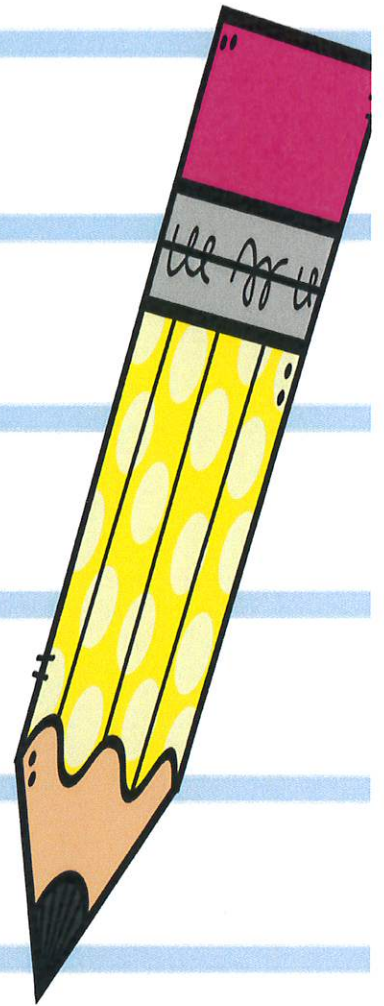

Please remember that meals times are:

**Breakfast 8:00 to 8:30**  
**Lunch 11:15 to 11:45**  
**Snack 2:00 to 2:30**

If your child arrives after these time please make sure they have eaten, we only serve during these times.

Nursery babies are on their own schedule and times do not apply.

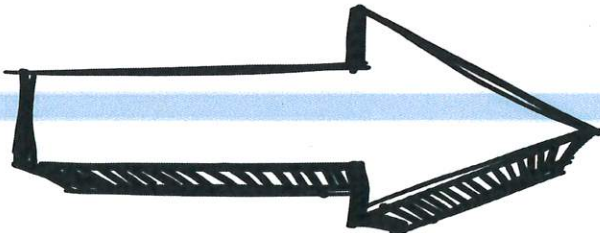

If your child will arrive after 10:30 please call the center to have them put on the lunch count.

Please insure that you child has diapers and wipes. If your child does not have the proper supplies you will be called to bring them.

If your child is going to arrive at the center after 10 am, please contact Amy or Bendie.

This is important for lunch count and staffing.
